

Energy Evaluator Technician Assistant

Job description

OVERVIEW

It's On Electric Company is an electrical contractor and energy management consulting firm, involved with large scale program delivery of energy conservation programs throughout BC. We are currently working on the Energy Conservation Assistance Program (ECAP) offered by BC Hydro Powersmart that provides qualified moderate to low-income BC Hydro residential account holders with a home energy evaluation, the installation of energy saving products, and personalized energy efficiency advice, at no cost to the participant.

We are currently looking to add to our team, and hire an energy evaluator/technician assistant to work closely with one of our Lead Energy Evaluators, that will be trained to assist with evaluations of homes for energy saving opportunities, and then help to install various simple energy and water saving measures in homes and apartments.

RESPONSIBILITIES:

- Attend training and education meetings with BC Hydro and the It's On Electric team.
- Assist with the evaluation of residential homes and apartments to determine what energy and water saving opportunities are available, and recording this information onto a provided iPad.
- Installing the following residential energy and water saving measures according to Program Standards:
 - LED light bulbs - Regular, Globes, Pot light bulbs
 - Bathroom faucet aerators
 - Kitchen faucet aerators
 - LED plug in nightlights
 - Low Flow Shower heads (Fixed and handheld)
 - Refrigerator/Freezer thermometers
 - Weatherstripping and pipe wrap
 - Carbon monoxide sensors - plug in, and battery operated
- Assist with the education of homeowners on the measures installed, and provide tips on further energy saving opportunities within the home.
- Complete all work in accordance with the company health and safety policies and Worksafe BC regulations

REQUIREMENTS

- Valid BC Driver's Class 5 license and a clean driving record (Not all of the locations that we work are accessible by public transit so you must have your own vehicle to drive to our office in South Surrey)
- Must pass a Criminal Record and Vulnerable Sector Check, and be willing to have completed every year.
- Excellent communication skills - both verbal and written
- Mechanically inclined
- Able to work well independently or as part of a team
- Committed to the highest level of safety standards
- Punctual and reliable
- Must be interested in growing into a Lead Energy Evaluator

Salary: \$20.00-\$22.00 per hour , Full-time or Part Time
